Hey Donna,

Sorry I didn't see this email; of course I would have been around this weekend! Emails just didn't make it through until last night.

I'll accept all changes. What time do you want to talk today? My cell is 760-846-6222
Micah

Hey Micah –

Just finished LanEast. File is too large to send. I split it up into 5 documents. Please accept changes. Let's discuss on Monday. If you are available tomorrow, let me know and we can teleconference – (619) 840-0097. Yes, sad but true – I am working this weekend!!! ☹
